

## Mark Use Guidelines

These Mark Use Guidelines (“Guidelines”) let you know about Jupitice’s rights with respect to its marks and when and how you can use them. The Guidelines are a part of and incorporate the Terms of Service. Capitalized terms not defined in these Guidelines are defined in the User Agreement or in the other Terms of Service or have the meanings given to such terms on the Site. To the extent permitted by applicable law, Jupitice may modify these Guidelines without prior notice to you, and any revisions to these Guidelines will take effect when posted on the Site unless otherwise stated in the revised Guidelines. Please check the Site often for updates.

## Scope and Applicability

Your use of our Trademarks must comply with these Jupitice Trademark Guidelines (referred to collectively as these “Guidelines”). Any use of our Trademarks other than in accordance with these Guidelines is a violation of our rights and is strictly prohibited. If you (or the company by which you are employed) are a party to a written license or other agreement with Jupitice, your agreement may include more specific or additional usage guidelines or terms governing your use of our Trademarks. If so, you must follow those guidelines or terms in your agreement in addition to those included in these Guidelines. If there’s a conflict between any terms in that other agreement and the terms of these Guidelines, the terms of that other agreement will govern.

### 1. Jupitice Marks

The Jupitice name and logo are trademarks of Jupitice. These Guidelines explain the terms under which you are allowed to use the “**Jupitice Marks**”, which for purposes of these Guidelines and the other Jupitice Terms of Service means Jupitice trademarks, including the following:

**Jupitice**

**Jupitice Justice Platform**

**Jupitice Justice Technology Platform**

**Jupitice Private Digital Court**

**Jupitice End-to-End Service Delivery Platform**

**Jupitice Service Delivery Platform**

**Jupitice Delivery Platform**

The Jupitice Marks are among our most valuable assets. In order to preserve and strengthen our identity, these Guidelines provide conditions of use and clear instructions on proper use of the Jupitice Marks.

## 2. Use of Jupitice Logo Marks

The Jupitice Marks that are also logos are also referred to in these Guidelines as the “Jupitice Logo Marks”. For example, the Jupitice Logo Marks include:

You may not use a Jupitice Logo Mark unless you have a written license, granted by Jupitice, permitting you to use the Jupitice Logo Mark. If you have not been granted such a license, then you must not use, copy, modify, distribute, or post the Jupitice Logo Mark for any reason. If you have such a license from Jupitice Logo Mark to use the Jupitice Logo Mark, you must use the Jupitice Logo Mark only as licensed and only in accordance with these Guidelines.

## 3. Use of Other Jupitice Marks

You may use Jupitice Marks other than the Logo Marks descriptively, provided you adhere to these Guidelines, or as otherwise permitted by law.

Descriptive use includes instances where you are referring to Jupitice or Jupitice services, such as “I registered on Jupitice website today”, “I attended Jupitice Work”, or “Jupitice justice platform has saved my company money.”
